AREA OF INTEREST	TECHNICAL SKILLS	EDUCATION
- Web development - Automation technology	Frontend - HTML, CSS, React JS, Tailwind, Bootstrap, UI/UX design Backend - Java script, Node JS, Auth JS, Express JS, Mongo DB Designing - Figma, Canva, Flutter Data base - PostgreSQL, Git Version control - Git hub - Blog writing	- B.E Mechatronics engineering at SNS college of technology CGPA - 8.3 2022 - 2026 - HSC at Adhiyaman matric hr sec school - 77% 2021 - 2022 - SSLC at Adhiyaman matric hr sec school - 83.5% 20219 - 2020
CERTIFICATIONS		LANGUAGES
- Full-stack web development (Udemy) - React JS, Node JS, Express JS in (Prepinsta) - Git and Git hub - Java script - Cloud computing		- English (Fluent) - Tamil (Fluent) - Telugu (Fluent)

PROJECTS

- Hand Gesture Control Robot (Mechatronics/Control Systems)** - Developed hand gesture controlled robot using py-Charm, just by analyzing their hand's gesture it will drive itself to the required direction
- Line Follower Robot (Sensors & Robotics)** - Developed a line follower robot, which uses the infrared sensors to detect the line and it start driving by its own
- Go-Kart Fabrication** - (Mechanical Design & Manufacturing) - Built the customized kart from chassis to aesthetics for racing
- Portable Non-contact tonometer for IOP monitoring** - To monitor IOP eye pressure to prevent permanent blindness
- Mental health monitor** - Built website to monitor and support mental health and providing assistance by virtually monitoring and providing emotional support using AI chat box
- Portfolio web page** - Built 4+ portfolio web pages to my clients for personal branding and networking using Java script, React JS and **Web extensions**

INDUSTRIAL NETWORKING

- In-Plant Training:** Attended in-plant training at Ashok Leyland Pvt. Ltd. (**June-July 2025**), gaining exposure to heavy vehicle engine processes, assembly line operations, and industrial quality control.
- SDE Internship:** Completed a Software Development Engineer (SDE) Internship at Bluestock Fintech (**Jan-Feb 2025**), enhancing problem-solving and software deployment skills relevant to industrial IT systems.
- Industrial Visits:** Visited RDL Industries in Bengaluru (**Oct 2024**) to observe real-world industrial operations and scale.

PARTICIPATIONS & ACHIEVEMENTS

- Go-Kart Competition:** Placed First in Skip Pad, Aesthetics, and Autocross categories in the Go-Kart event at AIMS and TNKC (July-2024).
- Paper Presentation:** Secured First Place in a Paper Presentation at Ramakrishna College of Technology (**Oct-2023**).
- Athletics:** Participated in Zonal Level Athletics (**2020**) and placed Third at the Cendies Trophy in Kho-Kho.

SOCIAL RESPONSIBILITIES

- Done RRC club activities
- Organised blood camps and donated blood
- Participated in voting awareness rally
- Donated grocery products for orphanage
